NOGGIN 'N' NATTER

Sunday, 11th July

The Noggin 'n' Natter will this year be at the Terry Hills Tavern, at the corner of Aumuna Rd and Mona Vale Rd, Terry Hills. Please note that the location and date for this event have changed from that given in the last Newsletter. (Les found that there were some difficulties about the venue at Mooney Mooney.)

We are planning to meet at the Terry hills Tavern at about midday, or arrive a little earlier for a drink and a chat before lunch. Those who have been to our Mid-Week Lunches here will agree that the food is good and reasonably price.

If you are intending to be there, please let Dave Stuart know a.s.a.p. so that tables can be reserved.

Concours d'Elegance, Australia, *Sunday, 10th October*

(That is, 10/10/'10)

Rumours about incredibly high entry fees for this event seem to have been untrue, and the actual cost of entry is quite realistic.

Vince Thompson will be coming to our July meeting to talk about what looks like being a very impressive event. He will show a short video presentation and tell us about the plans, and will answer questions. There is to be a serious Concours, and a separate display of cars which are not included in the judging. We are thinking of organising a display of our cars for this part of the day as a way of promoting our Club. The organisers are also looking for people who can help on the day by acting as marshals and so forth.

If you think you might like to be involved in a Club display, or if you would like to act as an official for the day, or if you just think it sounds like a nice day out, it would be worthwhile to come to the meeting to hear Vince.

JULY CLUB MEETING

13th July

The Car of the month for this meeting will be Noel McIntosh's

1935 Bentley 3 ½ L Saloon.

Many members will have admired this car at events recently following Noel's exhaustive restoration. Those who haven't seen it should make a point of coming. Noel always makes his presentations enjoyable and it will be interesting to hear the story of the restoration.

COMING MEETINGS

Les Craft is busy thinking up some curly questions for the Trivia Night at our August meeting.

Remember to start sorting out some of your surplus items for our Buy and Sell table at the September meeting. This is a great opportunity to change some of your old junk for some different old junk. Items can be car-related or not.
